Subject: Ottawa matching Canadians' Haiti donations. Pledge of up to \$50M.

Dear Brothers and Sisters,

Many of us are aware that CP has decided to match employee contributions towards the earthquake victims in Haiti. There is other ways to accomplish the same end. Please view this link to read that the Canadian Government is matching individual donations.

Please read appended message on what the CLC is saying and doing about this situation.

In Solidarity,

Solidarity with Haiti

In times of great hardship and need, the labour movement shows the meaning of solidarity and mobilizes to bring support to workers, their families and their communities. We have all watched with horror the images of the devastation caused by the earthquake in Haiti. The CLC and the Canadian Red Cross are working to provide a way for [union members to make a donation](#) that is matched by the federal government's pledge to match individual donations dollar for dollar.
