Subject: H&S Hi-Vis Backpack (update)

Dear Brothers and Sisters,

As you are aware this office has been conducting an informal poll for TCRC Div 320 H&S Rep Craig Neill regarding a backpack. Some 35 of you have shown interest in this backpack, and Craig is now working with CP and the supplier (Sportsmark) on putting an order together.

A flyer is currently being produced and will be sent out to all terminals system wide. Ordering information and information on the applicable subsidy will be on the flyer. According to the information we've received you will have 30 days from time flyer is out to order backpack to get in on original order.

Ordering will be done via telephone with the company that is supplying backpack, Sportsmark.

A new updated poster with pictures of the backpack has been added to this bulletin for your information.

For Division 320 members if you are interested in having TCRC Div 320 logo added to the backpack, which may be arranged for a fee of \$6.00 plus taxes.

If any other information comes available it will be forwarded and posted.

Any other questions please contact Craig Neill at c.neill@shaw.ca

In Solidarity,

Murray Douglas
TCRC Div 320
S&C Officer
