Subject: H&S Hi-Vis Backpack (update2)

Dear Brothers and Sisters,

By now most of you have seen the employer bulletin regarding ordering your Hi-Vis backpack. According to Brother Neill, Sportsmark is willing to have the TCRC logo only, put on at manufacturer for an additional cost of \$3.00. I assume you will need to advise them when you order the backpack of your desire to have the logo only.

For those of you who want the logo (as pictured below) and your name added to the backpack you will need to get the backpack to me once you receive it. I will make arrangements to have done.

The costs for this will be:

Logo (as pictured below) \$5.50 + taxes

Name: \$3.50 + taxes (this cost is a result of different set up for each name)

Any other questions please contact Craig Neill at c.neill@shaw.ca or the undersigned if you wish to place order of logo etc through Canadian First Marketing.

In Solidarity,

Murray Douglas
