Subject: Brother Pat Moore Needs our Help.

Dear Brothers and Sisters,

Most of you are aware, Brother Moore had an accident late last year, a couple of weeks in the hospital, and is still recovering at home. Pat called me today he's doing ok, good to hear his voice, (ya I said that) and he is looking for a particular piece of exercise equipment. His Physiotherapist told him he needs to get on a recumbent exercise bike as much as possible over next few months.

I've appended a picture of the specific type of bike he's looking for, preferably to borrow from someone if you've got one collecting dust, or being used to hang laundry on in the basement.

If you've got one, and can lend it out to Pat for a couple of months, please call him at:
604-466-0097

In Solidarity,

Murray Douglas
