**Subject: TCRC MWED supports TCRC on Strike.**

Dear Brothers and Sisters,

Appended you will find an circular e-mail from TCRC Maintenance of Way Employee Division President Bill Brehl regarding the Locomotive Engineer strike on CN. We are all one Union! That's why we joined the Teamsters in the first place.

(emphasis added)

In Solidarity,

Murray Douglas  
TCRC Div 320  
S&C Officer  
604-312-1074

Brothers and Sisters,

I have had a number of TCRC members (mainly Locomotive Engineers) at CP, call me asking if I knew what the protocol for them would be in the event of a strike at CN. As you are all aware, the TCRC (operating employees) are a different Teamsters Canada local than the TCRCMWED (non-operating employees), which we represent, therefore they are beyond my jurisdiction.

I have given the TCRC member's concerns to the TCRC, and General Chairman Dave Able has got back to me asking that I pass on the message that contact information can be found at [www.teamstersrail.ca](http://www.teamstersrail.ca). The leadership at the TCRC will answer any questions that their membership may have.

**As far as our membership's role in this job action.... we **must support** our Brothers and Sisters at CN with every legal means possible. We must not forget that an injury to one, is an injury to all and that whatever happens with any bargaining unit on any railroad, often has serious ramifications for all railroaders.**

Stay safe, Stay strong, Stay United,

Bill Brehl  
President  
TCRC MWED
